WARNINGS

Colour laser outputs and PDF files are always a simulation of the intended printed result. Always refer to the Epson user's guide as a colour target for CMYK. Always refer to the Pantone color guide for accurate reproduction of PMS colors. This file is not reproducible. STRATEGE has executed this operation to the best of its knowledge and abilities. It is the client's responsibility to ensure that all required copyright notices, trademarks, logos, and other legal requirements are met before printing or releasing this work for press/print and printing. Other print technique related corrections should be left to the engraving/printing. Digital file is supplied at actual size unless specified otherwise. We refuse any responsibility for films and preprints submitted to the client by third parties.
